**Juried Art Competition and Exhibition
for Artists Who Are Visually Impaired and Blind**

2023 Art Competition/Exhibition

The American Printing House for the Blind (APH) announces **APH InSights Art 2023**, an art competition and exhibition for visually impaired and blind artists of all ages. The exhibition will be shown in Louisville, Kentucky. Works in the exhibition will be selected from entries submitted for jurying. Award winners will be selected from the juried exhibition.

Eligibility For Entering Artwork

Any person who **meets the following definition of blindness** may enter artwork: corrected visual acuity of 20/200 or less in the better eye (determined by a Snellen Chart), or a visual field limited to 20 degrees or less. This includes those who function at the definition of blindness (FDB), listed above, due to brain injury or dysfunction.

Deadline For Entries

All Artists: Entries must reach us by **March 31, 2023**.

Criteria And Judging

Works will be selected on the basis of originality of concept, expressive use of media, and artistic excellence. **The artwork must be created by the artist, with minimal assistance from anyone else.** The work of students in preschool through 12th grade will be judged in grade placement categories; the work of adult artists will be judged in categories according to medium. The judge(s) will be a professional in the art gallery/art museum field, an art educator, and/or a practicing artist.

Awards

All entrants to APH InSights Art will receive a certificate. Award winners will also receive a monetary award and a ribbon. They will be invited to come to Louisville to receive their awards at the fall meeting of APH Ex Officio Trustees.

Media And Subjects Accepted

Artworks in any visual art medium may be submitted. The work may be two-dimensional (including, but not limited to, painting, drawing, printmaking, photography, mixed media, and collage) or three-dimensional (sculptures created from wood, stone, paper, clay, or a mixture of materials). Crafts such as weaving, woodworking, pottery, beading, or finished fashion apparel, are also welcome. All work must be original and handmade, not constructed from a kit. Only one artwork may be entered per artist or group.

Video entries by students may also be entered and will be included with the other entries in the grade level of the student or group. Video content must be the unique creation of the student or students. Jurors will consider the total artistic content of the entire piece, including original music, masks, set pieces, props, makeup, or costumes, with special attention given to original, handmade pieces.

To Enter

All artists may enter only one artwork with a completed entry form. Artists may ship their original artwork, if valued less than \$500, or send digital photos of their artwork by mail or e-mail.

ORIGINAL ARTWORK may be shipped to APH by March 31, 2023. See below for address. Please pack your artwork carefully, especially ceramic or glass. Include an entry form with the shipment.

DIGITAL ENTRIES of the artwork may be sent on a flash drive, a CD, or as an attachment on an e-mail. High resolution, high-definition photos are best for the judges to evaluate your artwork.

- Artists may send up to four photos of a single artwork. If the work is 2-dimensional, a photo of the front will usually be adequate for judges to understand the work, but you may include closeup photos if your artwork features significant texture. If it is a three-dimensional piece, photos showing several sides of the piece may be appropriate.
- If an artwork which was juried from digital photos has been accepted into the show and sent to APH, it may still be omitted from the exhibition if it differs substantially from the way it was shown in the photo.

- If an artist submits a digital image of their artwork, and the artwork is selected for the exhibit, the artist must ship the original artwork to APH when asked. If the artist does not ship the artwork, their award will be disqualified.

Mail flash drives or CDs to the address below. Include a digital entry form on the flash drive or CD, or print out a copy of the digital entry form and include that in the envelope.

E-mail digital photos with completed entry form to insights@aph.org. We will send you a follow-up e-mail to let you know we received your entry and photos. Please contact us if you did not receive a follow-up e-mail by the next business day.

Framing, Etc.

Matting, framing, etc., are not required. APH will prepare for display those pieces chosen for the exhibition.

Art Sales

Visitors to the exhibition may wish to purchase an artwork. Indicate on the form whether your art is for sale. A 10% handling fee that APH will keep will be added to the selling price of each artwork.

Selling your art is an important experience for all artists. Your artwork can be displayed and appreciated anywhere in the world, by someone who truly values your artwork. We highly recommend it!

Notification/Return Of Artwork

Artists will be notified of acceptance, award, or non-acceptance by email. Exhibited artwork and other works may be kept until February, 2024, in order to consider it for calendar, cards, or other use.
